IF YOU...

- Don't have a website
- Have a website but it's dated
- Haven't got the budget for a high-end website
- Don't offer Underwriting Agency services or products

...THEN THIS IS FOR YOU.

INTRODUCING Bark webSTARTER™ Websites

If your company hasn't got a website or if the one you have is an embarrassment, here's how to get your business online fast, looking great and at surprisingly low cost.

Best of all, you'll get a genuine Bark website — a professionally produced, corporate website that you'll be proud to call your own.

For a low \$2875* + GST, we'll build you a quality website and provide a 12 month Maintenance/Update Package — ALL INCLUSIVE.

Bark webSTARTER™ Websites include

- Website up to 20 pages
- 3 feature graphics designed for you
- Online Business Quote Request facility
- FREE 12 months Maintenance/Update Package (\$475 value)

*Conditions apply – see below

Bark webSTARTER™ Websites

are a great introduction to the Bark Productions range of quality services. See our website for more information and examples of our work.
